

ARE YOU KLUBBENS NEW BOUNCER?

Klubben is looking for new bouncers – do you have what it takes? As a bouncer in Klubben, your responsibility is the safety and satisfaction of the guests. The work will primarily take place on Friday evenings/nights, and when Klubben is hosting other events.

Klubben is the student bar at Studenterlauget where students come to study and hang out in the daytime, and on Fridays it turns into a nightclub for the students of BSS. During the school year, Klubben hosts big events such as Club Klub and Børsbar for up to 2,000 guests.

We expect that you:

- Are well spoken and a 'people person'
- Are polite and outgoing
- Can work in a team of 9 bouncers and approx. 30 bartenders
- Are fluent in Danish and English
- Can accept working and being sober while your friends are partying
- Can stay calm and show authority in stressful situations
- Are flexible and can work Friday evenings and at other events
- Have at least 1 year left of your studies
- Have passed your first-year exam
- Keep in shape and that you seek to excel in the job

Furthermore, it is preferred if you have experience with any form of martial arts, though it is not required.

We offer you:

- A job with a high level of responsibility and personal development
- A fun and great place to work
- A huge network in Studenterlauget with students from different study programs and countries
- Bouncer course paid by Klubben

Does the job sound like one for you? Send your application to Asmus at klubbendm@studenterlauget.dk where you include a letter of motivation, CV, name, study program and semester, year of birth and your contact information. If you have any questions regarding the job, you are welcome to send them to the same email address.
